SUPPLEMENTARY INFORMATION:

I. Abstract

The 1998 American Community Survey (ACS) is currently underway. ACS data are being collected under OMB approval number 0607-0810. Data

from the ACS will determine the feasibility of a continuous measurement system that provides socioeconomic data on a continual basis throughout the decade. The Census Bureau must provide a sample of persons residing in Group Quarters (GQs) the opportunity to be interviewed for the ACS. GQs include places such as student dorms, correctional facilities, hospitals, nursing homes, shelters, and military quarters. Obtaining information from the GQ will ensure that we include the necessary people residing at the GQ in the 1998 ACS.

A GQ screening operation was conducted in conjunction with 1997 ACS activities. This request revises the existing GQ clearance for use in the 1998 ACS. Major changes include the following. In 1997 we screened a sample of the GQs in only one ACS test site. In 1998 we will screen a sample of the GQs in eight of the ACS test sites. In 1997 we tested three versions of the questionnaire, Form ACS-2 (GQ), 1997 ACS GQ Facility Questionnaire, and allocated them among the sample GQs according to whether the GQ was to be enumerated by personal visit only, a combination of personal visit and mail, or by mail only. In 1998 we will use only one version of the questionnaire, Form ACS-2 (GQ), 1998 ACS GQ Screening.

We will telephone a sample of GQs in the 1998 ACS test sites. We will verify/update information such as GQ name, address, phone number, and type. We will screen to determine if the residents stay for less than 30 days and have another place to live. If so, the GQ will be classified as out-of-scope for ACS interviewing. If the GQ is in-scope, we will screen to determine if we can complete ACS interviews of the GQ residents by mail, thus saving the expense of personal visits. We will obtain a list of rooms and/or residents from which we can select a sample. All ACS interviewing will be conducted under OMB clearance number 0607-0810.

II. Method of Collection

Telephone interviews will be conducted from Census Bureau's processing center in Jeffersonville, Indiana.
